Gary,  
Republic gave me a rate verbally to dispose of Vac Box 641 in its entirety of \$2000. This does not include transportation only disposal. Are you good with moving forward on burying the entire vac box at Blue Ridge Landfill in Fresno? I have confirmed with Ron Shannon that Blue Ridge is CERCLA approved. LeRoy also confirmed yesterday that there are no free liquids in that box. If we are going to dispose of the box as well I'll need to get a State Waste code that includes Class 1 debris. That shouldn't take me a day or so to get that. I can get that in today if this works.

Thanks,
